About Berkshire Theatre Group

The Colonial Theatre, founded in 1903, and Berkshire Theatre Festival, founded in 1928, are two of the oldest cultural organizations in the Berkshires. Having united in November of 2010 under the leadership of Artistic Director and CEO Kate Maguire, these two institutions are providing the Berkshires and beyond with the finest in live theatre, music, dance and the visual arts in Stockbridge, MA and Pittsfield, MA. The Fitzpatrick Main Stage (400 seats), cataloged by the National Register of Historic Places, was originally designed and built by Stanford White as the Stockbridge Casino in 1888. The intimate Unicorn Theatre (122 seats) is a home for emerging artists and new theatrical ideas. The Colonial in Pittsfield (780 seats) re-opened in August of 2006, following a \$21 million restoration, and boasts pristine acoustics, classic gilded age architecture and state-of-the-art technical systems. BTG also performs at The Garage, a music venue located in the lobby of The Colonial. BTG serves over 100,000 patrons per year and reaches over 13,000 students through its educational and outreach programs.
