

Week 1 Episode 1 - This Land is Your Land

The most well known and most recorded Folk Song of all time. Kathy Jo will teach you what many have called our "second national anthem" and a song we all should know.

Lyrics

**Chorus: This land is your land
This land is my land
From California
To the New York island
From the redwood forests
To the Gulf stream waters
This Land was made for you and me**

Verse:

As I was walking
That ribbon of highway
I saw above me
That endless skyway
I saw below me
That golden valley
This Land was made for you and me

Chorus

Verse:

I roamed and rambled
And I followed my footsteps
To the sparkling sands of
Her diamond deserts
And all around me
A voice came sounding
This Land was made for you and me

Chorus

Verse:

Nobody living
Can ever stop me
As I go walking
That freedom highway
Nobody living
Can make me turn back
This Land was made for you and me
