

Think of your fellow man Lend him a helping hand

Put a little love in your heart

You see it's getting late Oh, please don't hesitate

Put a little love in your heart

And the world will be a better place

And the world will be a better place

For you and me

You just wait and see

Another day goes by Still the children cry

Put a little love in your heart

If you want the world to know We won't let hatred grow

Put a little love in your heart

And the world (And the world) will be a better place

All the world (And the world) will be a better place

For you (For you) and me (And me)

You just wait (Just wait) and see, wait and see

Take a good look around And if you're looking down

Put a little love in your heart

I hope when you decide Kindness will be your guide

Put a little love in your heart

And the world (And the world) will be a better place

And the world (And the world) will be a better place

For you (For you) and me (And me)

You just wait (Just wait) and see

People now, put a little love in your heart (3 times repeat)
