

This Little Light Lyrics

CHORUS: This Little light of mine

I'm gonna let it shine
This little light of mine
I'm gonna let it shine
This little light of mine
I'm gonna let it shine
Let it shine
Let it shine
Let it shine

Verse:

There's a light
Shining bright
There's a light at the end of the tunnel
As we walk along
We'll sing this song
And everyone will sing it by and by

CHORUS

Verse:

When you got that light
Shining bright
Then you know you don't need any other
And late at night
It's still in sight
Even though your head is underneath the covers

CHORUS

CHORUS

2nd chorus ends with a bunch of extra "let it shine" repeats.
