

Water Lyrics

CHORUS:

Animals need water  
People need it too  
Keep it Clean for me  
And I'll keep it clean for you

Animals need water  
People need it too  
Keep it clean for me  
And I'll keep it clean for you

Verse 1.

Water Water everywhere and not a drop to spare  
Water in the ground, water in the air  
Though it may evaporate it never goes away  
Snow on top of mountains melts and flows into the bay

CHORUS

Verse 2.

You can take a shower in it you can wash your hair  
You can wash your clothes or wash your teddy bear  
Really clean water is gettin' pretty rare  
If we want to save it, people have to care

CHORUS

Verse 3.

Now water is Rain, water's a flood  
Water turns dirt into mud  
Sometimes water's blue, sometimes water's green  
Sometimes water's dirty, sometimes water's clean

CHORUS

Verse 4.

Now they say the river's filling up with stuff like PCBs  
It gets into the fish and then in you and me  
If we drink too much of it we'll wind up in bed  
If we drink enough of it we could end up dead  
CHORUS (repeated a few extra times I think)
