

**Kits for the Rocky Horror Picture Show**  
**What's In It? What Isn't? What is allowed? When Do I Use It?**

The Rocky Horror Picture Show is renowned for its audience participation roles at different times and scenes during the film. There will be Colonial Theatre appropriate props available for purchase online or at the venue the night of the show (\$7 in-advance, \$10 at the door).

To encourage the safety and enjoyment of the film by all in attendance, any bags brought to the theater could be subjected to a search for inappropriate/non-allowable items.

**What is Allowed & What's in The Kit!**

The \$7 kits include enough for 1 person of each of the following: **Balloon, Glow Stick, Time Warp Flier, Rubber Glove, Noisemaker, Confetti Popper, Toilet Paper, Party Hat, Sponge, Paper Plates, Cards, Instructions, Bag.**

How do we use the props in the kit? Which traditional props aren't in the kit? Are the items allowed OR are not allowed? At what point in the movie do we use them?

This movie is all about participation, but we also want to make sure the theater isn't damaged, wrecked, or burned down (under NO circumstances should an open flame ever be used within the Colonial Theatre).

People are absolutely encouraged to dress up and have fun, but there are a few things we will not allow and they are listed below along with the items included in the \$7 kit, as well as when to use them.

Please DO NOT throw things at the screen, it's not new for sure, but it is functional and we want to keep it that way.

Here's your play-by-play of when to use your props, as well as the things that can't be allowed. Here we go:

**Balloon**

**Rice**
