### **About Berkshire Theatre Group**

The Colonial Theatre, founded in 1903, and Berkshire Theatre Festival, founded in 1928, are two of the oldest cultural organizations in the Berkshires. In 2010, under the leadership of Artistic Director and CEO Kate Maguire, the two organizations merged to form Berkshire Theatre Group (BTG). Berkshire Theatre Group's mission is to support wide ranging artistic exploration and acclaimed performances in theatre, dance, music and entertainment. Every year, BTG produces and presents performances to over 68,000 attendees and, through our Educational Program, serves over 10,000 Berkshire County school children annually. In July 2020, Berkshire Theatre was the first company in the United States to earn approval from Actors' Equity Association to produce a musical (*Godspell*) in the wake of the COVID-19 Pandemic.
